The economic impact of the pandemic and the revenue shift from the tax payment deadline will severely impact our cash position as we close out FY 2019-20. The amount OSBM approves for carryforward is determined by the amount of cash remaining at the end of the fiscal year.

Carry Forward

OSBM will review requests to carry forward funds from FY 2019-20 to FY 2020-21 in compliance with G.S. 143C and other General Statutes. Agencies and universities should submit their carry forward requests using the updated [OSBM Carry Forward Template](https://files.nc.gov/ncosbm/documents/files/template20200501_StateAgencyAndUniversityCarryForwardRequest.xlsx) (https://files.nc.gov/ncosbm/documents/files/template20200501_StateAgencyAndUniversityCarryForwardRequest.xlsx) along with any required supporting documentation.

Please review the [Carry Forward Process Job Aid](https://files.nc.gov/ncosbm/documents/files/memo20200501_Carryforward_JobAid.pdf) (https://files.nc.gov/ncosbm/documents/files/memo20200501_Carryforward_JobAid.pdf) which explains new procedures for Encumbrance Carry Forward requests. For state agencies, only items encumbered by **May 8, 2020** should be included on the carry forward request.

- June 1, 2020 Preliminary carry forward request estimates due to OSBM
(ONLY FOR Department of Health and Human Services, Department of Public Instruction, and University of North Carolina System)
- July 1, 2020 Final carry forward requests for all state agencies and universities due to OSBM
- Mid-July OSBM approves carry forward and notifies agencies and universities

Once carry forward amounts are approved by OSBM, state agencies will submit budget revisions transferring those funds to the Office of State Controller's (OSC) statewide account. Carry forward funds for universities will not be transferred to OSC's statewide account. Universities will submit requisitions to OSC in the State's Cash Management Control System (CMCS). Once the 2019-20 fiscal year has closed, OSBM and OSC will work together to approve the transfer of carryforward funds into the new fiscal year.

Certification of Budget Reports

Agency and university Budget Officers or Chief Financial Officers will be required to certify the accuracy of the BD 701 and 702 reports. You will find a 2019-20 closeout certification form attached. The closeout certification form should be completed and submitted to your OSBM Analyst when the agency is ready for OSBM to review the BD 701 and BD 702 Budget Reports.

Agency and University Budget Officers or Chief Financial Officers should ensure that the following items are addressed before certifying budget reports are accurate and complete:

Reconciliation of Budgeted Codes

Agencies and Universities must ensure that the budgeted amounts in both certified and authorized columns on the BD 701 Budget Report reconcile to actions approved by OSBM through the budget revision process as reflected on the IBIS RK 325 Report. Also, there should not be any negative certified or authorized budgets unless an exception request has been approved by OSBM.

Over Expended Accounts

Expenditures greater than the budget are not authorized at the four-digit level for NCAS accounts in the 531X, 536X, 537X, and 538X range and two-digit level for NCAS accounts in the 532X through 535X range. Universities are not authorized to have expenditures greater than the budget at the UNC pooled account level.

To the extent that the June BD 701 budget report reflects over-expended accounts, OSBM may approve retroactive budget actions for year-end closeout. Agencies and universities should submit budget revisions providing appropriate justification for such requests, including the reason for the over-expenditure, the reason prior authorization was not received, and explanation of the funding source proposed to correct the over-expenditure which will be taken into consideration.

Reserve Accounts

Agency reserve accounts (537xxx) should be distributed unless those funds are reverting or being carried forward.

NCAS Account Titles

Agencies and universities should review and correct any missing or incorrect NCAS account titles.

Reconciliation of Salary Reserve

Salary reserve balances at the fund/account level within a budget code cannot be negative at the end of the fiscal year. Appropriate budget revisions and/or personnel actions must be prepared to realign the salary reserve prior to closeout. For all agencies on BEACON, please use the IBIS Salary Control Function to review reserve balances and FTE counts (not applicable to universities).

Cash Balances

The BD 701 monthly budget reports for all special funds for June 2020 cannot contain any negative cash balances at the fund/center level.

Departmental Receipts and Federal Funds

Agencies and universities are responsible for monitoring and budgeting over-realized receipts prior to expenditure. Agencies must complete a year-end reconciliation of receipt-supported expenditures and related collection of receipts to ensure these are in balance. To the extent the agency has deposited excess federal receipts in the General Fund, they must be returned to the 3XXXX federal budget code. Similarly, the agency should make every effort to collect all earned receipts within the fiscal period.

Reconciliation of Allotments in CMCS

Agencies and universities must verify that quarterly allotments approved in IBIS reconcile with the NCAS BD 702 report and that quarter to date expenditures do not exceed the allotment.

Capital Improvement Allotments and Reports

Chief Fiscal Officers are to review all capital improvement budget codes and close all completed capital projects. Requests to close capital budget codes must be submitted to OSBM by **May 29, 2020**. A detailed job aid has been developed to assist you and your staff in closing out capital budget codes. Please refer to the [Capital Budget Code Closure Job Aid \(https://files.nc.gov/ncosbm/documents/files/memo20200501_CapitalBudgetCodeClosure_JobAid.pdf\)](https://files.nc.gov/ncosbm/documents/files/memo20200501_CapitalBudgetCodeClosure_JobAid.pdf) to provide step-by-step guidance to close out capital budget codes.

All capital allotment requests for the month of June must be submitted to OSBM before **June 5, 2020**. Please note that the last COPs requisition also must be completed by **June 5, 2020**.

Capital Improvement budget reports must be certified by **June 19, 2020**, which is unique from the deadline for certifying budget reports covering current operations.

General Fund, Highway Fund, Highway Trust Fund & Special Fund Monthly Reports

OSBM no longer requires two copies of final BD701 budget reports for June to be submitted to your OSBM analyst.

Allotments for the First Quarter 2020-21

If the 2020-21 budget (Current Operations Appropriations Act) is not adjusted by the General Assembly by July 1, first quarter allotments will be estimated using the BD 307 Certified Budget for FY 2020-21. Allotments are subject to adjustment by OSBM in the event the General Assembly later adjusts the Current Operations Appropriations Act.
