PURPOSE

North Carolina General Statute 143C-9-4 mandates that state organizations submit a complete report of all funds received for the use of a property, the provision of a service, or the exercise of a regulated privilege.

For the purpose of this summary document, the term “agency” will refer to any of these types of organizations: state agencies, universities, boards, or commissions.

§ 143C-9-4. Biennial fee report.

The Office of State Budget and Management shall prepare a report biennially on the fees charged by each State department, bureau, division, board, commission, institution, and agency during the previous two fiscal years. The report shall include the statutory or regulatory authority for each fee, the amount of the fee, when the amount of the fee was last changed, the number of times the fee was collected during the prior fiscal year, and the total receipts from the fee during the prior fiscal year. (2006-203, s. 3; 2007-323, s. 6.3.)

The Fee Report is currently compiled annually, as it is easier for agencies to provide data for the most recent fiscal year.

PROCESS

Fee Collection data for fiscal year 2019-20 is listed in the accompanying Excel data file (see the Data Definitions section below for a description of each column in the spreadsheet).

To compile the report, a data query is pulled from the North Carolina Accounting System (NCAS) by Budget Code, Fund Code and Account Code. Agencies are asked to inspect the data and add additional fields to describe each Fee. In some cases, multiple Fees are held within the same Budget Code / Fund Code / Account Code combination and must be split out.

Only a small number of Boards and Commissions use the NCAS system for their accounting. Boards and Commissions that do not report to NCAS have been assigned comparable Budget Codes, Account Codes and Fund Codes to assist with roll-up reporting and analysis.

Fees without an amount or number of collections are generally accompanied with a comment explaining the absence of information.

For additional information about any fee listed, please contact the Agency directly.

LOCATION OF FINAL COMPILED DATA

Fee Report data is posted in MS Excel format on the OSBM website: https://www.osbm.nc.gov/stewardship-services/fee-reports

Excel provides the ability to filter, sort, summarize and combine the data with other data for deeper analysis.
The following definitions apply for fees collected during fiscal year 2019-20
These columns are shown in the collected report in the accompanying Excel data file
