RE: CORRECTION: 2022 Legislative Increase (LI) Instructions – HR-Payroll Action Processing

Session Law (S.L.) 2022-74 (the 2022 Appropriations Act) amends Session Law 2021-180 (the 2021 Appropriations Act) and includes a salary increase, effective July 1, 2022, for most State employees subject to or exempt from the State Human Resources Act (SHRA). The salaries for eligible employees shall be increased by three and one-half percent (3.5%) unless otherwise specified below. See § 39.1 of the 2022 Act, amending § 39.1.(a1) of the 2021 Act. A pro-rata percentage applies for part-time employees. See § 39.1.(c) of the 2021 Act.

University of North Carolina
Section 39.13 of the 2022 Act states the Board of Governors of the University of North Carolina shall provide employees subject to the SHRA, employees exempt from the SHRA, and teachers employed by the North Carolina School of Science and Mathematics with an across-the-board salary increase, in the amount of three and one-half percent (3.5%) effective July 1, 2022.

Department of Public Safety
Several types of employees at the Department of Public Safety will be compensated according to salary schedules. These types of employees do not receive the 3.5% legislative increase. See § 39.1.(b)(5)-(7) of the 2022 Act.

Section 39.14 of the 2022 Act amends Section 39.14.(b) of the 2021 Act and establishes a Correctional Officer salary schedule effective July 1, 2022, for state employees serving as correctional officers in the Department of Public Safety, Division of Adult Corrections. Correctional Officers shall be compensated at a specific pay rate, on the basis of a salary schedule, determined according to the duration of the employee’s correctional officer work experience as outlined in amended Section 39.14.(b).
Section 39.15 of the 2022 Act amends Section 39.15.(b) of the 2022 Act and sets the experience-based salary schedule for law enforcement officers of the State Highway Patrol, Alcohol Law Enforcement, and the State Bureau of Investigation effective July 1, 2022. Law enforcement officers shall be compensated based on the officer’s respective work experience as defined in amended Section 39.15.(b).

Section 39.15A of the 2022 Act amends Section 39.15A.(b) establishes a Probation and Parole Officer salary schedule effective July 1, 2022. Probation and Parole Officers shall be compensated based on the officer’s respective work experience as established in amended Section 39.15A.(b).

If a Correctional Officer, State Highway Patrol Officer, Alcohol Law Enforcement Officer, State Bureau of Investigation Officer, or Probation and Parole Officer will not receive a salary increase during the 2022-2023 fiscal year because the officer’s salary exceeds the scheduled salary level, then the officer shall receive an annual salary increase equal to three and one-half percent (3.5%). See § 39.15A.(c) of the 2021 Act.

Current Salary Schedules
The current salary ranges which were implemented effective June 1, 2022, for all Graded Pay Plans, will remain the same.

Other Employees Under Salary Schedules
In addition to the categories discussed above, several additional types of employees do not receive the 3.5% legislative increase: employees of local boards of education, clerks of superior court compensated under G.S. 7A-101, and employees paid based on the Teacher Salary Schedule at DHHS, DPS, or DPI. See § 39.1.(b) of the 2021 Act.

Eligibility for Legislative Increase
To be eligible for the legislative increase, employees must have been employed on June 30, 2022. See § 39.1.(1)(ii) of the 2021 Act, as amended by § 39.1 of the 2022 Act.

Effect of Being at Maximum of Salary Range
Employees at the maximum of the salary range shall receive the full LI increase of three and one-half percent (3.5%).

Temporary Employees
Because temporary employees are not employed in State-funded positions, they are not automatically entitled to the 3.5% legislative increase. See § 39.1(a1)(ii). Agencies may increase temporary employees’ salaries in their discretion if funds are available.

Salary to which the 3.5% Legislative Increase Is Applied
The Appropriations Act specifies that the 3.5% legislative increase will be on “annual salary in the 2022-2023 fiscal year.” See § 39.1.(a1)(1). Effective July 1, 2022, except as provided by subsection (b) of this section, a person (i) whose salary is set by this Part, pursuant to the North Carolina Human Resources Act, or as otherwise authorized in this act and (ii) who is employed in a State-funded position on June 30, 2022, is awarded “a legislative salary increase in the amount of three and one-half percent (3.5%) of annual salary in the 2022-2023 fiscal year.” See § 39.1(a1)(1).
**Labor Market Adjustment Salary Reserve**

The 2022 Act creates a Labor Market Adjustment Salary Reserve that is available to most state agencies. The funds in the Labor Market Adjustment reserve shall be used by agencies “to award salary adjustments to identified employees.” See § 39.2(a). Use of the Labor Market Adjustment reserve is subject to specific requirements listed in the act. See § 39.2.(a)(1)-(5).

Use of the Labor Market Adjustment reserve must be reported to OSHR by September 30, 2022 using a uniform reporting mechanism that OSHR must develop. OSHR will submit the combined agency responses to the General Assembly by October 31, 2022. See § 39.2.(d).

To avoid a delay in distributing this memo about the Legislative Increase, a separate memo will be distributed about use of the Labor Market Adjustment Salary Reserve. This memo, which will be distributed within one week from the date of this memo, will include the uniform reporting mechanism that agencies must use.

**Processing of Legislative Increase Actions**

The HR/Payroll system was unavailable from 8 p.m. July 11, 2022 through 6 a.m. July 13, 2022, for processing the LI. The LI was applied to employee records in the Integrated HR/Payroll System on July 12, 2022.

Temporary appointments will not receive the LI via the mass load as it is based on the availability of funds. These actions, if applicable, will need to be processed by the agency by working with the OM/PA Operations team at BEST Shared Services (BSS).

**Longevity**

Longevity payments will automatically calculate to reflect the LI.

**2022 Legislative Increase Reports**
