SUBJECT: Increase to Cost of a State Capital Project

Pursuant to G.S. 143C-8-8, a State Agency may increase the cost of a capital project with gifts, federal or private grants, special fund receipts, or direct capital improvement appropriations if the increase is in the best interest of the State. The Department of Natural and Cultural Resources has requested to increase the Tryon Palace – Hurricane Florence project by \$101,627.18. The increase is funded by Hurricane Florence Disaster Recovery funds.
