MEMORANDUM:

TO: Mark Trogdon, Director, Fiscal Research Division

FROM: Charles Perusse *Charles Perusse*

SUBJECT: Required Quarterly Report on DIRECTED GRANTS TO NON-STATE ENTITIES

---

Per S.L. 2021-180, section 5.2 (b), the Office of State Budget and Management (OSBM) is required to report to the Fiscal Research Division quarterly on the status of grant disbursement for "Directed Grants to Non-State Entities", including the following for each grant:

- a. The date of the initial contact.
- b. The date when the contract was sent to the grantee non-State entity.
- c. The date when the fully executed contract was returned to the disbursing agency.
- d. The date when the contract was executed.
- e. The date when a grant was disbursed in full.

Please see the attached spreadsheet outlining answers to these questions for each grantee.

In summary, of the Directed Grants to Non-State Entities, 84% of the grant contracts (43) have been fully executed and funds distributed. Of the remaining grants:

- 2 grantees have not yet returned their signed grant agreement
- 1 grantee is still working through matching grant requirements
- 3 grantees are still working to submit their required documents / forms before agreements can be formalized: W-9; electronic payment form; conflict of interest policy; sworn statement re: no overdue tax debts; and a scope of work plan.

Over the past 4 months, the Business Office at OSBM has been working diligently to get these grants administered – offering daily technical assistance for the grantees, getting grantees registered, documents submitted, contracts drafted and signed and ultimately funds distributed. We temporarily redeployed internal Business Office staff to focus on getting this grant infrastructure developed and operational. As we move staff back to their original work duties, we anticipate needing additional grant management staff in the Business Office at OSBM to continue servicing these Directed Grants and to provide technical assistance related to reporting, monitoring and auditing.

Please do not hesitate to contact us should you have additional questions or concerns.
