SUBJECT: Required Quarterly Report on Directed Grants to Non-State Entities

Per S.L. 2021-180, Sec 5.2.b, the Office of State Budget and Management is required to submit a quarterly report on directed grants administered by our office:

(3) Beginning on the first day of a quarter following the deadline provided in subdivision (2) of this subsection and quarterly thereafter, State agencies administering directed grants shall report to the Fiscal Research Division on the status of funds disbursed for each directed grant until all funds are fully disbursed. At a minimum, the report required under this subdivision shall include updates on (i) the date of the initial contact, (ii) the date the contract was sent to the entity receiving the funds, (iii) the date the disbursing agency received the fully executed contract back from the entity, (iv) the contract execution date, and (v) the payment date.

Please see the attached spreadsheet outlining answers to these questions for each grantee for the quarter ending September 30, 2023.

In summary, of the 195 directed grants to Non-State Entities for FY 2021-22 and FY 2022-23, 100% of the grant contracts legally ready (194 of 194) have been fully executed and funds disbursed. The one exception is a grant which will revert according to the language outlined in the 2023 Conference Report.

As part of the OSBM Directed Grants portfolio, \$200,000 was appropriated to be allocated to the Register of Deeds by application. Only 48 Register of Deeds applied, of which all 48 grantees received the initial round of grant funds. Of the 48, there were 46 applicants interested in receiving a second round of funding, and we have disbursed the second round of funds to all 46 of them.

The Grants Team at the Office of State Budget and Management continues to provide technical assistance related to reporting, monitoring, and auditing for directed grant recipients. Outlined in the 2023 Joint Conference report, OSBM has been directed to administer a massive increase in Directed and SCIF grants. The Grants Team currently consists of a Grants Manager and 3 Grant Administrators. With the massive expansion, an additional 1,173 directed grants OSBM is now responsible for administering, we need additional resources and staff positions to assist in the awarding of the grant funds.
