SUBJECT: Increase to Cost of a State Capital Project

Pursuant to G.S. 143C-8-8, a State Agency may increase the cost of a capital project with gifts, federal or private grants, special fund receipts, or direct capital improvement appropriations if the increase is in the best interest of the State. The Wildlife Resources Commission has requested to increase the New Bern Boat Storage project, authorized under SL 2021-160, by \$8,573 due to unforeseen issues with the installation of the electrical service line. The increase will be funded with available agency receipts.
