Session Law 2017-41, Section 2.1.(e)(1), required the Office of State Budget and Management, in consultation with the Department of Health and Human Services, to issue a request for proposal to secure a contract with a third-party organization to develop a social services and child welfare reform plan. On March 1, 2018, that contract was awarded to the Center for the Support of Families (CSF), a division of SLI Global Solutions, LLC.
